Turn 1

Prospect:

give me one real reason this isn't just hype

Strategy:

ROI_REFRAME

Intent:

challenge_assumption

Stage:

discovery

Response:

The real reason this isn't hype is that our AI SaaS has already driven tangible revenue growth for similar businesses, which is what matters, not the hype.

Next Question:

What's the minimum revenue increase you'd need to see to consider this a success?

Coaching Tip:

Focus on the business outcome, not the technology itself

Confidence:
