

Hexagon Test Simulation Report

Scenario: Price Resistance

Generated: 2026-05-07 06:34:40

Turn 1

Prospect:

wait that's more expensive than i expected

Strategy:

ROI_REFRAME

Intent:

reframe

Stage:

discovery

Response:

The cost is often a reflection of the value it can unlock, what's the current cost of not optimizing your conversions?

Next Question:

None

Coaching Tip:

Focus on the value proposition to shift the conversation from price to ROI

Confidence:

0.8
